### **Land transfer moves Fisher House project forward (photos)**

### **Greater Cleveland Fisher House Land Transfer Ceremony**

The dream of a Fisher House, to support Veterans and their families while receiving treatment in Cleveland, is one step closer to becoming a reality. The official land transfer from the Cuyahoga Land Bank to the Northeast Ohio VA Healthcare System took place Friday, June 30, 2017. Now, the VA can begin working with the Fisher House Foundation to start construction on the homes. This would not be possible without the support of the generous Northeast Ohio Community who came together over the past four years to raise more than \$3 Million toward this need. Their efforts, combined with the need in the area, will result in not one, but two Fisher Houses for Veterans receiving care in Cleveland. Video from the ceremony can be seen via the Northeast Ohio VA Healthcare System's Facebook page at the link [here](#).
