FOR IMMEDIATE RELEASE:

March 24, 2020

E.J. Kovacic Recreation Center Renovations

Ward 7 – 6250 St. Clair Avenue

Capital Improvements work to begin April 2020

This work advisory will remain in place through 2021

CLEVELAND – The City of Cleveland will begin construction for the complete renovation of the E.J. Kovacic Recreation Center. This project includes complete interior renovations and reprogramming on all three floors of the building; structural improvements; new mechanical, electrical, and plumbing systems, including interior lighting, fixtures, heat, and air conditioning; new main entrance; new accessible entrance and elevator; and exterior restoration, including masonry, windows, roof, and lighting.

The project will require a temporary closure of the facility during construction. Further information will be coming regarding specific closure dates and alternate programming locations.

Construction mobilization will occur in April 2020 and is scheduled to be complete by the end of 2021.

Editor's Note: Thank you for your patience and cooperation during this important public improvement project. Site construction invariably presents hazards to the public. We urge all travelers and residents to use caution in the construction zones. Your safety and the safety of our workers are our greatest concern.

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
