FOR IMMEDIATE RELEASE:
March 24, 2020

City Hall Roof Repair

Ward 3 – 601 Lakeside Ave.

Roof Repair work to begin Spring 2020

This work advisory will remain in place through Fall 2020

CLEVELAND-- The City of Cleveland will be conducting roof repairs to City Hall. This work includes partial roof membrane and roof drains replacement, as well as repairs to areas of the copper roof and various cornice locations.

This work will require the erection of a scaffold on the north central area of City Hall, which will remain in place for the duration of the work. Material deliveries will occur on the City Hall north drive. Traffic will be maintained along the north drive. Mobile crane operation will occur for brief periods on the south sidewalk. Dates for crane operations are not determined; more information will follow.

Construction mobilization is scheduled to begin the week of March 30, 2020 and is scheduled to be complete by Fall 2020.

Editor's Note: Thank you for your patience and cooperation during this important public improvement project. Site construction invariably presents hazards to the public. We urge all travelers and residents to use caution in the construction zones. Your safety and the safety of our workers are our greatest concern.

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
