There is hereby established a “Civil Emergency Executive Policy Group” consisting of Interim Chief of Staff and Finance Director Sharon Dumas, Chief of Operations Darnell Brown, Chief of Communications, Government and International Affairs Valarie J. McCall, Chief of Public Affairs Natoya Walker-Minor, Director of Law Barbara A. Langhenry, Interim Director of Public Health Brian Kimball, Director of Public Safety Karrie D. Howard, and Emergency Operations Center Manager Fred Szabo to perform the following duties:

On July 2<sup>nd</sup>, Governor DeWine introduced a Public Health Advisory System. This system is a 4-level color coded system, that identifies counties with high-risk for coronavirus.

The City of Cleveland is physically located in Cuyahoga County, is currently designated as an Orange Level. The Ohio Department of Public Health did not distinguish cities from counties.

From the positives that CDPH has confirmed, contact tracing has confirmed three areas of exposure:

1. Parties/Social Gatherings
2. Out of State Travel
3. Bars/Restaurants

Therefore, effective July 3<sup>rd</sup>, I declared the following:

1. Mandatory masks for all individuals out in public or in public spaces including businesses, restaurants etc.
2. Maximum capacity at any bar, restaurant, entertainment venue cannot exceed 50% of allowable capacity.
3. Any establishment that, upon repeated incidents of violating maximum capacity order will be ordered to shut down.
4. Mass Gathering Orders are still in effect. If incidents of more than 10 persons are gathered not wearing masks, enforcement actions will be taken.
5. If an establishment has an employee or a patron, who has tested positive for Covid-19 then there has to be demonstration that they sanitized their establishment to the specifications of the Cleveland Department of Health. If they do not, they will be shut down.
6. People should not gather, except within the social distancing and mass gathering mandates and they should wear masks, wash their hands often.

On July 15<sup>th</sup>, Cleveland City Council passed Ordinance No. 556-2020 which subjects persons and businesses to civil penalties for violation of the Mandated Mask, Social Distancing and Mass Gathering orders. In addition, Governor DeWine instituted a state-wide Mask Mandate on July 22<sup>nd</sup>.

#### **D. Mass Gathering Orders, Block/Street Parties & Tailgating**

**Mass Gathering Orders remain in effect. Public and private gatherings of greater than 10 people occurring outside of a single household or living unit, including but not limited to block/street parties and tailgating events, are prohibited.** Residents are strongly advised not to conduct or attend any indoor gatherings with guests who are not members of their

household in a home or place of residence. The City will not issue permits for tailgating events, even for groups of less than 10 persons, on any property.
