Invite you to participate in the  
**Public Information Session**

for:

**West Franklin Boulevard Rehabilitation Project**  
**West 85th Street to West 25th Street**

**When:** July 29, 2021 – 6:30 pm to 8:00 pm

**Where:** Waverly Elementary School, 1805 W 57th St, Cleveland, OH 44102

**What:** A short presentation of the proposed project, followed by a questions-and-answers session.

**Why:** The City received numerous comments on the project website, and will post updates and responses this week. This information session follows-up on the post, providing an opportunity for interactive updates and presentation of project features. A model of the proposed 4" mini-roundabout curbing will be available for testing.

**COVID-19:** Masks are strongly recommended, and social distancing standards will be followed.

**Project Overview:**

Asphalt resurfacing from face-to-face of curb; installation of traffic calming measures including seven mini-roundabouts; slip ramp removal at West 85<sup>th</sup> Street; improved pedestrian crossings including rectangular rapid flashing beacons (RRFBs) at select crosswalks; installation of enhanced crosswalks and curb ramps that comply with the Americans with Disabilities Act (ADA).

Construction will begin in Spring 2022 with completion in late Fall 2022.

Estimated Construction Cost: \$3,286,800

Funding Sources: \$2,629,440 Federal Funds  
\$657,360 City Road and Bridge Bonds
